The new box awning for minivan, sport utility vehicle and motorhome, complete with enclosure with windproof and waterproof zip fasteners

The New F35 Zip is enclosed in a super light aluminum case, finished in polar white enamel and is very easy to set up. The awning comes complete with the new Fiamma enclosure which provides more light to your living space due to the large transparent windows. The brand new F35 Zip system connects the side panels to the front panel with two strong self lubricating zippers. Telescopic poles, screened windows, and curtains are included with the enclosure. The door can be positioned on the left or right hand side of the enclosure.
